

# Middle School Literature, Part 1 Book List

There are lots of options for acquiring these books. You can order them from Amazon, Barnes and Noble, or another online retailer. If you want to save money, you can check them out of the library. For most of them, you can get e-book versions or access them online and read them on your computer screen.

Please take note of my comments below. In some cases, the particular edition or translation is important.

These are the only books you are required to obtain. We will be providing online versions of most of the shorter works we will be reading.

***The Hobbit*, by JRR Tolkien**

***Where the Red Fern Grows*, by Wilson Rawls**

***The Miracle Worker*, by William Gibson**

***A Raisin in the Sun*, by Lorraine Hansbury**

***Romeo and Juliet*, by William Shakespeare**

***The Outsiders*, by S.E. Hinton**

***A Diary of a Young Girl*, by Anne Frank**

There are a couple different versions of this book. The one we will be reading is the most popular, one. It was edited by Anne's Father. Normally, if it has the title *A Diary of a Young Girl*, you've got the right one. Don't get the one called *The Diary of Anne Frank: The Critical Edition*.
